OUR HOTTEST TAKE IN WATERSPORTS

The Seascooter has been one of the most popular products in the watersports market for the past years. And it's no surprise when you look at all the options which this product has, from it's GoPro mounting option to it's Self Floating Design. The Seascooter is perfect to take with you as the 2 Li-ion batteries can be taken along on the water, each with a total run time of 40 minutes! The blue-print to it's success is easy, just check it out below!

## A WHOLE NEW WAY OF WATERSPORTS

Experience the water on a whole new way. Let the Seascooter guide you through the beauty of the sea and discover what the underwater world has to offer. The Seascooter is for scuba divers, recreational watersports lovers, tech-freaks and so much more. The Seascooter is for everyone!
